

Grand Repos

Antonio Citterio, 2011

Grand Repos & Ottoman

Panchina

With its generous padding, inviting armrests and high back, the Repos visually exudes the kind of comfort that only a large, swivel lounge chair can offer. Its taller brother, the Grand Repos, boasts a higher backrest and an expressive wing chair element to enhance this aura even further.

With the Grand Repos lounge chair, Vitra and Antonio Citterio bring a new quality of comfort and motion to the world of living:

A concealed synchronised mechanism holds the chair in position across its full range of motion. The Repos and Grand Repos are available in a variety of leathers and fabrics, with decorative

seams that lend the chair a distinctly contemporary, almost technical flair. The four-star base made of die-cast aluminium comes in polished or powder-coated versions. The upholstered small Panchina bench can be used as a simple, universal seating possibility or as a matching ottoman to Antonio Citterio's Repos and Grand Repos. There are also ottomans available to match the two lounge chairs.

Chair:

- **Carcass:** moulded polyurethane foam with belted plastic frame.
- **Legs:** four-star, polished or powder-coated die-cast aluminium.
- **Neck cushion:** included, filled with feathers.

Panchina (in both sizes): plywood board, polyurethane foam and polyester wadding.

- **Legs:** polished or powder-coated die-cast aluminium.

Ottoman: plastic board, polyurethane foam and polyester wadding.

- **Four-star base:** polished or powder-coated die-cast aluminium.
