CLARA

Lamps description TOP LED 44W 4200lm 2700K CRI>90

Finish White

Technical description Ceiling/wall lighting fixture, providing diffused light. The front diffuser is made of high efficiency, injection moulded opal Polycarbonate. Ceiling/wall fitting is in injection moulded polycarbonate. Dimmable Led light source powered without the use of any power supply/transformer, but directly by the mains voltage (from 100 to 240 VAC). For decorative purposes an optional accessory made of PC and ABS+PC is made available in three different finishes: black, chrome or copper.
