The Afterroom Lounge Chair is the result of combining the inspiration from two iconic chairs of early modernism. The Thonet Bentwood Armchair by Michael Thonet and the Spanish Chair by Børge Mogensen.

The combination of these two classics became something new – just as elegant as the Thonet and as comfortable as the Spanish Chair. Relax and enjoy.

Afterroom aka Hung-Ming Chen and Chen-Yen Wei are powered by an intriguing interest in proportions, materials and cultures.

We're proud to feature several of their designs in our AW14 collection and the common thing for all of them is that they share the same qualities of simplicity, inspired by classic Scandinavian features.

Besides being really warm and nice people, Hung-Ming Chen and Chen-Yen Wei are two really talented designers. They originate in Taiwan, but work from their studio in Stockholm.
